Summary of D-SNP Enrollment Eligibility

Any dual-eligible consumer can enroll in a UHC D-SNP plan during AEP and MA-OEP

1. There are no changes to enrolling in D-SNP plans during AEP and MA-OEP. Use the Jarvis Medicare and Medicaid Verification (MMV) tool linked on the D-SNP landing page to verify plan eligibility (see QR code above or navigate to Jarvis > Sales Tools > Medicare & Medicaid Eligibility Lookup).

Only certain dual-eligible consumers can enroll in a UHC plan using the Integrated SEP (see below)

1. If your client has a UHC Medicaid plan and is Full Dual eligible (FBDE, QMB+, SLMB+), your client is eligible for the monthly integrated D-SNP SEP and may enroll in four available plans (see table below). Use the MMV tool linked in the QR code above to validate your client's eligibility before you submit the application.
 - a. Full Dual eligible consumers with other Medicaid carriers will not be eligible to switch to a UHC D-SNP plan using the Integrated SEP unless they switch to a UHC Medicaid plan. Consumers are subject to Medicaid open enrollment period rules to switch to a UHC Medicaid plan (see below).
2. Non-Full Duals (example: LIS and QMB only) are subject to the same SEP rules as MA.
3. Special circumstance SEPs still apply to all D-SNP consumers; client must be Medicaid eligible. Refer to the D-SNP Landing Page for more information (QR code or Jarvis file path above).
